Alexandria, VA 22313-1450

To the Office:

Applicant's attorneys are now in receipt of an official communication mailed by the Office on May 9, 2008 in the form of a Notice of Non-compliant Amendment. Specifically, the Office has indicated that claim 9 has been labeled as Currently Amended but no amendments appear to have been made to the claim. However, the applicant points out that indeed an amendment was made to the claim. On the second line of claim 9, the term "faked" has been amended to "fake". Because strikethrough lettering was used for this amendment, it may have not been readily apparent. Thus, the applicants enclose the deleted character in brackets to more clearly show the amendment.
